As a public health system what will we focus on to sustain regional infrastructure for collective impact to increase residents who are healthy at every stage of life?
1. Healthy and Safe Community Environments
2. Clinical and Community Prevention Services
3. Empowered People
4. Elimination of Health Disparities

Together with the entire public health system, what priorities will we focus on to improve the health of our community?
1. Healthy Living: Healthy Eating, Active Living, Breastfeeding
2. Mental and Emotional Well Being
3. Injury and Violence Prevention
4. Cancer Prevention

Mission:
Working together to improve the health, safety, and quality of life for all who live, learn, work, and play in the Panhandle.
