Two cases reported as Dawes County yesterday are Sioux County cases and the following are updated case details:
Male in his 40s, Community Spread
Female in her 50s, Community Spread

Close contact and exposure are defined as at least 15 minutes, less than six feet apart. There are no community exposure sites identified. The investigations are underway, all close contacts will be quarantined and actively monitored twice daily for fever and respiratory symptoms by public health officials.

Three cases from Scotts Bluff County have been deemed recovered bringing the total recoveries to 155.
