Panhandle COVID dashboard continues to be updated, state dashboard will be reinstated starting today

The Panhandle COVID dashboard continues to be updated to help residents understand and inform the current COVID risk in the area. The Governor has announced the state COVID dashboard will be accessible again starting today.

Vaccinations have protection against all known variants, including Delta. For anyone age 12 and older, please get vaccinated. COVID vaccine is widely available across the Panhandle and there is no charge for the vaccine.
