Wash your hands often to protect yourself and others from COVID-19; One new case of COVID-19 in Scotts Bluff County

The simple step of washing your hands with soap and water for at least 20 seconds, especially after you have been in a public place or after blowing your nose, coughing, or sneezing can be critical to protecting yourself and others from disease. If soap and water are not readily available, use hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry. Avoid touching your eyes, nose, and mouth with unwashed hands.

Unified Command confirms one new case of COVID-19. A Scotts Bluff County male in his teens a close contact of a previously positive case.

The investigation is complete, all close contacts will be quarantined and actively monitored twice daily for fever and respiratory symptoms by public health officials. There are no community exposure sites identified. Exposure is defined as at least 10 minutes, less than six feet apart.

Throughout the month of May, we are reminding people to respect the following to keep Nebraska healthy:

- **Wear a mask when possible.**
- **Wash your hands frequently.** Wash your hands with soap for at least 20 seconds and sanitize when available.

- **Monitor your symptoms.** If you experience a cough, fever, shortness of breath, headache, sore throat, chills, muscle pain, or loss of taste or smell call your doctor, clinic, or our 24/7 line at 308-262-5764 before going.
- **Socially distance in public and at work.** Use the six-foot rule as much as possible.
- **Only sit with people from your household when at church.** Stay six feet from other households.
- **Stay home.** Do not take unnecessary trips outside the home. Respect the ten-person limit. Non-essential out-of-state travel is discouraged.
- **Shop alone and only shop once a week.** Do not take family with you.
- **Help kids follow social distancing.** Play at home. No group sports. And no playgrounds.
- **Help seniors stay at home by shopping for them.** Do not visit long-term care facilities.
- **Exercise daily** at home or with an appropriately socially-distanced activity.

Panhandle Public Health District, Region 21, 22, and 23 Emergency Management, and Scotts Bluff County Health Department are working as a unified command on this evolving situation. Essential updates will be regularly communicated to the public and community partners.
