Throughout the month of May, we are reminding people to respect the following to keep Nebraska healthy:

- **Wear a mask when possible.**
- **Wash your hands frequently.** Wash your hands with soap for at least 20 seconds and sanitize when available.
- **Monitor your symptoms.** If you experience a cough, fever, shortness of breath, headache, sore throat, chills, muscle pain, or loss of taste or smell call your doctor, clinic, or our 24/7 line at 308-262-5764 before going.
- **Socially distance in public and at work.** Use the six-foot rule as much as possible.
- **Only sit with people from your household when at church.** Stay six feet from other households.
- **Stay home.** Do not take unnecessary trips outside the home. Respect the ten-person limit. Non-essential out-of-state travel is discouraged.
- **Shop alone and only shop once a week.** Do not take family with you.
- **Help kids follow social distancing.** Play at home. No group sports. And no playgrounds.
- **Help seniors stay at home by shopping for them.** Do not visit long-term care facilities.
- **Exercise daily** at home or with an appropriately socially-distanced activity.

Panhandle Public Health District, Region 21, 22, and 23 Emergency Management, and Scotts Bluff County Health Department are working as a unified command on this evolving situation. Essential updates will be regularly communicated to the public and community partners.
