One new case in Cheyenne County, Scotts Bluff County cases announced on May 1 deemed community spread

Unified Command confirms one new case for COVID-19 in Cheyenne County, a male in his 30s, is a close contact of a previously positive case. The investigation is complete.

Unified Command also confirms the cases announced on May 1 of two Scotts Bluff County residents, a female in her 50s and a male in his teens, have been deemed community spread. The investigation is complete.

Close contacts in all cases will be quarantined and actively monitored twice daily for fever and respiratory symptoms by public health officials.

All Panhandle residents are encouraged to Stay Home, Stay Healthy, Stay Connected. What does this mean to you?

Stay Home

- Stay home whenever possible.
- Avoid gathering in any groups.
- Do not visit or host people who do not live with you.

Stay Healthy

- Keep at least 6 feet distance from anyone you don't live with.
- Wash your hands
- Stay home if you are sick or if someone in your home is sick.

Stay Connected

- Stay in touch with friends and loved ones
- Check in on people who may be alone or need help.

Panhandle Public Health District, Region 21, 22, and 23 Emergency Management, and Scotts Bluff County Health Department are working as a unified command on this evolving situation. Essential updates will be regularly communicated to the public and community partners.
